

## 5<sup>th</sup> Grade Research Project Review

Name \_\_\_\_\_

Please complete this form after participating in the 5<sup>th</sup> Grade Research Project.  
This form will help you to assess the process you used to create your end product.

1. What was your topic?

---

---

2. What was your essential question?

---

---

3. Did having an essential question help guide your research and/or writing?  
Why or why not?

---

---

---

---

---

---

4. Did your essential question help guide your research?

---

---

---

---

---

---

5. What was the hardest part of the project? Examples: researching, writing your paper, presenting? What made this part the hardest?

---

---

---

---

---

6. When you were researching using the internet, what question/s did you ask before you decided to use the information from the given site?

---

---

---

---

---

7. How would you describe the information you found from the internet? Factual? Trustworthy? Untrustworthy?

---

---

---

---

---

8. Did you enjoy listening to others presentations? Why or why not?

---

---

---

---

---

9. What was your overall opinion of the project?

---

---

---

---

---

10. Would you recommend this project for future use with 5<sup>th</sup> graders? Do you have any suggestions to improve it?

---

---

---

---

---

11. What was one thing you learned after completing this project?

---

---

---

---

---

---
