1. How many total square miles do rainforests cover?

2. What are the four main layers of the rainforest?

WHY ARE THEY IMPORTANT?

1. What is an ecosystem?

2. How many different species of animals and plants are located in the rainforest?

3. Do people live in the rainforest? If so, describe the way that they live.

4. Why are rainforests called "the lungs of the Earth?"

5. How do rainforests help regulate the world's climate?

RAINFOREST PLANTS

1. About how much of our medicine originated in the rainforest?

2. What are two materials found in the rainforest?

VANISHING RAINFORESTS

1. About how much of rainforests are being destroyed each year?

HELP THE RAINFORESTS

1. List and describe two ways that you can help the rainforest.

TAKE THE RAINFOREST QUIZ!

CREATE YOUR OWN!

With your partner, create an advertisement to save the rainforest. Your advertisement can be handwritten or done on the computer. Include the following-

- Explanation/description of the rainforet
- Reasons why it is important to save the rainforest.
- Visually appealing

IF you finish early explore the following site!
