

Technology Plan Outside Research Overview

Burlington Public Schools Educational Technology District Technology Plan – Example

District Technology Plan. (n.d.). Retrieved September 3, 2014, from http://www.burlington.org/departments/schools/burlington_public_schools/docs/BPS_District_Technology_Plan.pdf

“An apple success story”

Notre Dame Preparatory School’s Technology Mission Statement – Local Example

Overview. (n.d.). Retrieved September 3, 2014, from <http://www.notredameprep.com/academics/technology/index.aspx>

“To infuse technology into the NDP experience in order to enrich our students’ learning, broaden the perspective from which they view the world, and empower them as they move beyond our walls, while encouraging and promoting 21st century technology skills and digital citizenship.”

Loyola Blakefield Technology Information as provided on their website – Local Example

Technology Resources. (n.d.). Retrieved September 3, 2014, from <https://www.loyolablakefield.org/technologyresources>

Technology Resources

“Our top-notch Technology Department delivers all the tools and resources necessary for us to keep up with ever-changing technology and helps deliver innovative teaching techniques to the classroom. Students have access to state of the art technology and are taught to be responsible global/digital citizens. Through online access to grades, homework assignments and more, parents and students are always "linked" to life in the classroom.”

- Be sure to keep our tech plan simple and user friendly
- Needs to reflect ICS with a focus on moving forward
- Mission and goals need to align/match with Strategic Plan
- Inclusion of iPad 1:1 program with back office support
- Still need to plan – Professional Development – How will teachers be supported? What are the expectations of a teacher or staff member?
- Be sure to keep a focus on community! We are a parish and a school. We need to be sure to keep communication at a center point
